RISC is one of a network of Development Education Centres in the UK, delivering a broad and diverse education programme with schools and universities to promote social justice and sustainability.

This is a part-time, flexible post working as the coordinator of our Education Team. We are looking for a candidate with a commitment to social justice, sustainability and Global Citizenship education, experience of coordinating and delivering engaging and inspiring training for teachers and ideally, some experience of working in higher education.

The role demands flexibility, self-sufficiency and excellent communication skills. You will participate in the strategic development of RISC's education programme, in particular project management and resource provision and coordinate a team of freelance associates in order to raise awareness and understanding of global issues and responsibilities in Berkshire, Oxfordshire and beyond.
